VERIFIED STATEMENT OF FACTS OF KALIM S. FUZAIL

Commissioner for Patents
Mail Stop Petition
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

1. As part of my duties I am responsible for the preparation and filing of patent applications for Abbott Laboratories' Diagnostics Division and I am the Attorney of Record for Applicants in U.S. Patent Application Serial Number 10/699,513 filed October 31, 2003.

2. At the time U.S. Patent Application Serial Number 10/699,513 was filed, I was unaware of the inventive contributions of Hui-Ju Chen, William J. Flosi, Larry Klein, Allan C. Krueger, Dachun Liu, Darold L. Madigan, Laura M. Maymon, Todd W. Rockway, Kent D. Stewart, Ming C. Yeung, and Quinghua Xie to the invention claimed in above patent application.

3. After the above application was filed, a question regarding the inventorship of the above application arose. After reviewing the application for patent, I concluded that Hui-Ju Chen, William J. Flosi, Larry Klein, Allan C. Krueger, Dachun Liu, Darold L. Madigan, Laura M. Maymon, Todd W. Rockway, Kent D. Stewart, Ming C. Yeung, and Quinghua Xie were erroneously omitted as joint inventor of the invention, and that this omission was in error without deceptive intent.

4. After the error was discovered, I initiated corrective steps including having statements of fact prepared and obtaining executed declarations of inventorship from all of the inventors.
